work of an organization gets done, who does it, and how they learn how to do it. Careful management of these three components sets the stage for improved efficiency in operations and successful transfer of knowledge among workers. It also provides insightful data for workforce planning and management over time, especially as an organization's strategic focus changes.

**Students currently enrolled in the U of A, NAU, ASU and Pima may attend this PDM for \$5 (must reserve in advance).**

## Stephanie Christine G. Fuentes Phd

### About the Speaker:

Stephanie Christine G. Fuentes Phd, Chief Learning Strategist and owner of Inventivo Design, LLC. Stephanie uses evaluation and inquiry to strategically improve investment in workforce development. She has been working in the human performance improvement field for the past 12 years as a stand-up trainer, instructional designer, learning program manager, evaluator, and consultant. She has worked with both government and private-sector organizations in a variety of industries to develop viable learning programs that deliver performance results, and to evaluate new and existing learning programs for effectiveness and alignment with business strategy.

You can contact her at [stephanie@inventivodesign.com](mailto:stephanie@inventivodesign.com) and follow her on Twitter @InventivoDesign.

## Chapter Information

## Get involved with APICS

APICS is a vibrant professional society recognized by inventory and supply chain management professionals worldwide

as the leader in certifications, education, and the resources necessary to improve business performance.

This achievement was not obtained and cannot be sustained without the countless contributions made by our volunteer community.

## Vision & Mission Statement

Our Vision:

To inspire lifelong learning and enhancement of individual and chapter success.

Our Mission:

To be the leader and premier provider of individual and organizational education, standards of excellence, and information in Integrated Resource Management.

Tucson Chapter Mission Statement:

To help the business and educational community meet challenges of professional growth by providing high quality resource management education.
